

Application for Individual Membership

Full membership in EUROSIS is open to all who have been professionally involved in computer simulation and modelling and meet certain minimum requirements. **Associate membership** is available to anyone who is interested in the technology of simulation and modelling or in applications of the computer arts and sciences, individual membership in EUROSIS is individual not organizational and fully portable on the event of change in employment, Dues for senior, full and associate members are €50 per year. **Student membership** is open to any person regularly enrolled on a full-time basis in an institution of higher learning and the dues are €25 per year. Transfers of membership to another individual may only be done with the expressed written permission of the original holder of the membership. **Membership is valid from the date of payment for a period of 1 year.**

Please indicate only one Technical Committee area of your main interest
