1.2 How to get there

By Air

Athens ATH international Airport Eleftherios Venizelos

Flights Information Arrivals- Departures(+30) 210 3530000

Athens International Airport "Eleftherios Venizelos" <http://www.aia.gr/>

"Eleftherios Venizelos" Athens International Airport is served on a 24hour basis by all bus lines, except for bus line X94. Click on the line of your choice and see the frequency of service, the stops and the route diagram. The "Athens International Airport" is served also by the Suburban Railway (www.proastiakos.gr) and the metro (www.ametro.gr)

General Information

X92 Kifisia - Athens International Airport (average travelling time 45')

The line connects the airport with Platanos Sq. Kifisias.

X93 Kifisos Intercity Bus Station - Athens International Airport (average travelling time 65')

The line connects the airport with the intercity bus stations of Kifisou and Liosion.

X94 Ethniki Amyna Metro Station - Athens International Airport (average travelling time 45'-50')

The line connects the airport with the nearest metro station "Ethniki Amyna" (metro line 3)

X95 Syntagma - Athens International Airport (average travelling time 70')

The line connects the airport with Syntagma square in the city center (connection with metro lines 2 and 3)

X97 Dafni Metro Station - Athens International Airport (average travelling time 70')

The line connects the airport with the Metro station of Dafni.

By Bus

There are three bus lines to and from the airport. All buses depart from the designated area on the inner curbside of the arrivals level of the Main Terminal Building exactly outside the Exit (doors 4-5)

Line E94 connects the Ethniki Amina Metro Station with the Airport.

Passengers can transfer from the Metro line to the Airport Bus at this departure point. This bus stops running before the metro stops running which is around midnight.

Line E 95 Syntagma Square - Airport Express has its departure point at the center of Athens (Syntagma Square) and via Vas. Sofias Avenue, Mesogion Avenue and Attiki Odos terminates at the airport.

Line E96 Pireaus - Airport Express starts from the center of Pireaus (Karaiskaki Square) and via Posidonos Avenue, Varis-Varkizas, and Varis-Koropiou Roads terminates at the airport. Both the Syntagma and the Pireaus buses run for 24 hours, generally every twenty minutes but every 40 minutes after midnight.

There is a (new) bus E93 connecting the Airport (door 5) with the bus terminal at Kiffissou street. The interval is generally 35 minutes (65 at night)

EUROSIS was borne out of discussions with the European Community to set up a new kind of Society, which would be project driven instead of driven by pure membership and conferences.

The aim of the new Society will be to set up topic related Technical Committees which will link directly to European Projects in the field of computer simulation and related areas and to act as a knowledge pool for future European Networks of Excellence, like MOSAIC.
